## PETITION FOR RULEMAKING

Comes now, JEM Broadcasting Company, Incorporated and requestes that the FM Table of Allottments be modified to allocate FM Channel 245 A to Jasper, Arkansas as it's first local service.

In support of this request, Petitioner has attached a study showing that Channel 245 A can be allocated at Jasper, Arkansas at the co-ordinates 36-00-02, 93-11-55 and be fully spaced with no additional changes or modifications required to any existing or proposed allocations or existing stations.

Jasper, Arkansas is the county seat of Newton County, Arkansas and serves as the center of local government. Further there are no licensed or allocated channels to any location in Newton County, Arkansas. This allocation would be in the public interest as it would provide Jasper, and Newton County, Arkansas with it's first local service.

Petitioner, JEM Broadcasting Company, Incorporated has constructed and operated broadcast stations in the past and proposes to actively seek permission to construct and operate the proposed facility when allocated and made available for bidding through the FCC auction process.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Elvis Moody", with a stylized flourish extending from the end.
